

A STORAGE POWER STATION IN ZAMBIA

Will gei power be Zambia's first solar plant with battery storage?
Turkey???'s YEO is partnering with Zambian sustainable energy company
GEI Power to develop a 60 MW/20 MWh solar plant with battery storage in
Choma district,southern Zambia. The facility has been touted as
Zambia???'s first solar plant with battery storage.

How much solar power does Zambia have? Zambia's installed solar
capacity stood at 124 MWat the end of 2023,according to the International
Renewable Energy Agency (IRENA). In April,Canadian developer
SkyPower Global signed a 1 GW power purchase agreement with
state-owned utility Zambia Electricity Supply Corp. This content is
