Welcome to Battery Warehouse, your ultimate battery supplier serving communities in and around Maryland. Since opening our first store in 1982, our family-owned company has grown into six locations, ultimately becoming Baltimore's go-to battery supplier.

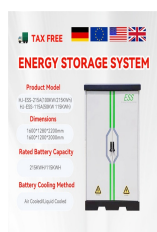

The trademark "Columbia" was proposed by Nelson C. Cotabish, a sales manager at NCC. In 1896, the company marketed the very first battery intended for widespread consumer use: the sealed, 6-inch, 1.5-volt Columbia battery. NCC was the first company to successfully manufacture and distribute sealed dry-cell batteries on a large scale.
