

BEIYA ENERGY STORAGE BATTERY TECHNOLOGY CO LTD

CHAM is a leading integrated new energy solution provider, our products cover application scenarios including advanced energy storage, green mobility and intelligent equipment. CHAM committed to becoming a globally trustworthy technology company, serving the world with safe and accessible energy technology in every corner.

We invest major efforts and resources in new product development so we can help our customers meet their long term energy goals. Our talented engineers and designers collaborate to create cutting-edge products that exceed customer expectations and drive industry progress, we have the sharpest minds in the business designing, building and testing our products.

Established in 2018 and headquartered in Jintan District, Changzhou City, Jiangsu Province, SVOLT Energy Technology Co., Ltd is specialized in the research and development, production, and sales of cells, modules, battery packs, as well as large-scale energy storage, unit energy storage, medium-sized energy storage, home storage, portable storage and other full range ???
