Though not mentioned by either interviewer or David, PRT (successor of PYE) released Don't Be Fooled by the Name (1981), a compilation of the three 1966 Pye singles in a sleeve sporting a 1978 concert shot. These four all fit the bill. The 1980 K-Tel album is predictable for a greatest hits compilation and in an attractive (for K-Tel) cover.

This document presents a methodological approach for compiling a water distribution network model using open-source GIS software QGIS and hydraulic modeling software EPANET. The approach processes geospatial and network data in QGIS to generate an EPANET-compatible model of an existing water distribution system in Swakopmund, Namibia. The goal is to ???

The power distribution system is the one that exports the power system from the step-down distribution substation (high-voltage distribution substation) to the user. The distribution system is a power network system which consists of a variety of distribution equipment (or components) and distribution facilities to transform the voltage and directly distribute the power to the end users.

F& F is my favorite 1-disc Bowie compilation, in part because I'm not a big fan of the hard-rock stuff (Diamond Dogs, Jean Genie, Rebel Rebel) that dominates the middle of ChangesBowie. As a bonus, F& F is typically the cheapest of the Bowie RCA CDs (I got mine used for \$7 at a brick-and-mortar store about 10 years ago).

ChangesOneBowie (vinyl and CD) Good early compilation, released originally in 1976, so anything released after is not present. Updated in 1990 when his catalog was reissued on Ryko/EMI as ChangesBowie
ChangesBowie (vinyl and CD) Great compilation up to the point of release (1990), the only questionable issue being the remix of Fame included.
