The deep cycle 50Ah lead acid maintenance free battery is sealed and rechargeable. It can be used in a solar powered system in order to store the energy received from the solar panels and supply the load for the periods when there is not enough sun available to power the system. Generally used in a solar system with various Nemtek security and agricultural energizers.

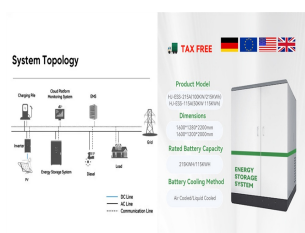

The battery and the solar panel are connected by the patented 24K gold-plated plug developed by the HIGH CLASS, which can reduce wire loss and prevent poor contact.
