The high ???

KW made the entire solar process fast and easy. I originally contacted KW in May 2021. Mike was very helpful and knowledgeable about the process. By July 1st, the system was installed and operational. KW also had the best price vs. competitors and made sure the DE grant application was submitted and approved. I highly recommend KW Solar Solutions

Starsight Premier Energy Group delivers reliable, end-to-end solar solutions, including financing, that help organizations reduce carbon emissions and save up to 50% on their annual energy expenses. SPEG optimizes energy solutions for clients' needs, whether they be as little as 50 KW or as large as several MWs. Tailored solar solutions.

Photovoltaic solar energy is clean, renewable source of energy that uses solar radiation to produce electricity. The sun rises every morning and shines nearly 12 hours. The sun is a free given gift, it comes with no bill. When properly harnessed, you can enjoy the freedom of free energy for 25 years for one time investment.
