

CAN I BUY INSURANCE FOR ENERGY STORAGE MOBILE POWER SUPPLIES

2MW / 5MWh
Customizable

Why do you need warranty insurance for your energy storage system? Our warranty insurance solutions help to secure your sustainable business in the long run. Energy storage systems often involve the complex integration of multiple high-tech components. These are all prone to failure and malfunction, particularly over long periods of ten years and more.

2MW / 5MWh
Customizable

Why do we need reliable energy storage systems? Renewables like wind and solar energy are intermittent by nature. To successfully master the energy transition, reliable energy storage systems are a must to provide the necessary supply stability.

2MW / 5MWh
Customizable

How long do energy storage systems last? Energy storage systems often involve the complex integration of multiple high-tech components. These are all prone to failure and malfunction, particularly over long periods of ten years and more. As a manufacturer and system integrator you have to provide your customers with warranties.
