As we transition to a renewable led grid, Power Purchase Agreements (PPA) play a vital role in supporting the growth of sustainable energy sources. Centrica Energy is one of the leading providers of PPAs in Europe, allowing larger businesses access to demonstrably zero-carbon power, while providing renewable developers the financial certainty

Chris O'Shea, Centrica Group Chief Executive said: "At a time when energy security is uppermost in people's mind, I'm delighted that we're able to extend the operating window of the UK's nuclear fleet, which is critical to UK security of supply and the country's net zero ambitions. In an energy system that is becoming ever more
