Where does the Dominican Republic export its iron & steel products? In 2019, the Dominican Republic exported its iron and steel products primarily to the United States, Antigua & Barbuda, and Jamaica. In 2020, US\$190 million was invested in the iron and nickel industry.

The "Adopt a Meadow" Project is a unique opportunity for Greenvolt Power to support the active protection of Polish nature. Through this initiative, which is organized by Fundacja Kwietna, we aim to restore the rich biodiversity of a meadow in Nieborów. This valuable natural area loses its natural values and degrades with each passing season.
