

EISE ENERGY STORAGE EXHIBITION

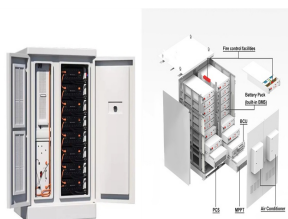

When is the energy storage International Conference & Expo (Esie)? The Energy Storage International Conference and Expo (ESIE) will take place on 3 days from Thursday, 10. April to Saturday, 12. April 2025 in Beijing. 10. - 13. April 2024 07. - 09. April 2023

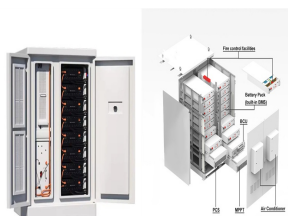

When is energy storage International Conference & Expo 2025? The 13th Energy Storage International Conference and Expo is scheduled for April 10-12, 2025, and will be held at Beijing New International Exhibition Center Phase II.

What is the energy storage brand exhibition? Experts and representatives from well-known companies in China and other countries and regions explored the development trends of the energy storage industry. The energy storage brand exhibition kicked off on April 11 and will last until April 13 at Shougang Park Convention and Exhibition Center, attracting more than 500 energy storage brands.

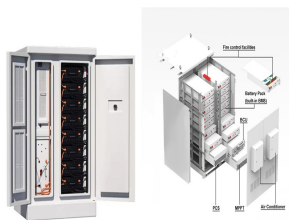

What is Esie & why should you attend? The exhibition features energy storage technologies and materials, energy storage equipment and components, software development and digital technologies, the dual-carbon market, smart parks, and more. ESIE is one of the most influential events of the global energy storage industry.

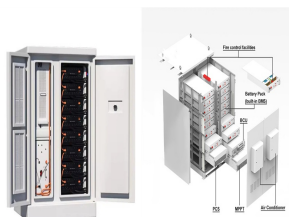

What does Esie stand for? 12. April 2025 | International trade fair and conference for energy storage industry The "Energy Storage International Conference and Expo (ESIE)" is a leading trade fair and conference that has been held annually at the Beijing Shougang Exhibition & Convention Center in Beijing since its inception in 2012.

EISE ENERGY STORAGE EXHIBITION

Why is Esie held at Shougang Park? ESIE is one of the most influential events of the global energy storage industry. This year, Shougang Park was chosen as the venue for ESIE, evidencing the distinct advantages of Shougang Park in terms of holding large-scale international conferences. (Source: Shougang Park)
