Who are Citaglobal & Genetec? 06 Apr 2023 Citaglobal Bhd and Genetec Technology Bhd have formed a joint venture(JV) company to manufacture battery energy storage systems (BESS) and explore opportunities for the business in Malaysia and the Asean region.

What is the difference between Citaglobal and Genetec? Citaglobal will be responsible to scout for Asean and Malaysian business opportunities and demand for the system, and to obtain necessary approvals and support to undertake any venture. Genetec, on the other hand, will provide the technical expertise on BESS and undertake knowledge transfer to the JV company, the filing said.
