

A 3D perspective diagram of a server rack layout. The rack is filled with various server units. Labels with leader lines point to the following components: 'Top Cover' (the top of the rack), 'Cabinet' (the side panel), 'Fan' (a cooling fan on the left side), 'Rear' (the back of the rack), 'Drive' (a drive unit), 'PDS' (Power Distribution System), 'Air Conditioning' (a unit on the left wall), 'Air Passage' (the space between the rack and the wall), 'High Storage Box' (a box on the right side), and 'Door' (the right side panel). The diagram illustrates the airflow and component placement within the server environment.
