Whether you're an avid hiker, a birdwatcher, or just looking for a

With the modular Varistar CP electronics cabinet platform, you can choose from 100 cabinet dimensions, a variety of off-the-shelf components, EMC compliance, and IP 55 protection. The cabinet can be placed in a decentralized location and ???

Although certain types of electrical equipment are robust, others cannot tolerate the high temperatures often found in outdoor enclosures. As a rule of thumb, the maximum enclosure temperature should be at least 10 °F lower than the manufacturer's recommended maximum operating temperature. Factors that are likely to lead to high outdoor
