

GABON DONGGUAN ZWAYN NEW ENERGY CO LTD

Who is Dongguan zwayn new energy company? Dongguan Zwayn New Energy Co.,Ltd Founded in 2011,Weineng New Energy Companyadheres to the development concept of continuous innovation and has rapidly developed into a technology driven national high-tech enterprise integrating energy storage power research and development,design,production,and sales.

Who is zwayn? ZWAYN is a leading energy storage battery supplier in the world. we provide many types of energy storage products for home,business and industry. We also provide various types of lithium batteries and custom services.Welcome global agents,dealers to purchase our products.

What is zwayn energy storage system? Zwayn provides industrial and commercial energy storage solutions to global customers and provides personalized customized products.Our container battery energy storage systemis equipped with an intelligent management system,which can monitor and control the status and performance of the battery in real time.

How many batteries can a zwayn high-voltage home energy storage system support? This battery,which supports multiple sets of parallel operation,can provide continuous and stable power for your home. Zwayn high-voltage home energy storage system,voltage from 204V-409V,cell is LiFePO4,supports 10 batteriesin parallel to expand storage capacity,compatible with multiple brands of inverters.

How many employees does zwayn have? Zwayn has 200 workersat 5 production line to meet our customers' quick delivery requirements. In the meantime,Zwayn factory has a strong engineer team,such as Mechanical engineer,BMS developing engineer,Electrical engineer and application engineers.

GABON DONGGUAN ZWAYN NEW ENERGY CO LTD

What is zwayn lithium iron phosphate battery? ZWAYN Lithium Iron Phosphate Battery is a wide range of lead acid replacement battery packs. Read the news, learn more about Zwayn and more product knowledge. Zwayn invites you to exhibit at the 136th Canton Fair Autumn Edition in Guangzhou, China.

Company profile for Storage System manufacturer Dongguan Zwayn New Energy Co., Ltd. - showing the company's contact details and products manufactured. Dongguan Zwayn New Energy Co., Ltd. Deyuxin Science and Technology Park, No. 2, Jinxing 3rd Road, Jinmei Village, Changping Town, Dongguan, Guangdong

Dongguan ZWAYN New Energy Co., Ltd was established in 2011, which is a clean and green energy manufacturer factory of lithium batteries for solar, telecom base, EV, scooter, golf cart, marine, CCTV, etc. NCM lithium batteries and LiFePO4 batteries are our main business sector.

Zwayn founded in 2011, is a lithium battery supplier integrating R & D, production and sales. The main battery products are used in household energy storage, industrial and commercial energy storage, solar energy equipment, telecommunications base stations, electric cars, scooters, golf carts, UPS and other fields.
