

GENIXGREEN BATTERY MONTENEGRO

Who is genixgreen? GenixGreen has three wholly-owned subsidiaries in the Guangdong Province and Jiangxi province engaged in the development of li ion batteries, EV batteries, power supply system manufacturing and design business. We are a 12 years professional enterprise founded in 2011, specializing in energy storage LiFePO4 batteries system R&D and manufacturing.

What certifications does genixgreen have? As a professional lithium battery supplier, GENIXGREEN has passed IEC, TUV, UL, CE, UN38.3, MSDS and other certifications.

Is genixgreen a good company? Genixgreen is worth of the cooperation platform and willing to cooperated with our customer on the battery energy, base station backup filed. Believe: GenixGreen lust your life and keep the good partner relationship. Enterprise strength mainly includes financial resources, production capacity, technical level, management level, sales ability, etc.

How does genixgreen ensure quality? GENIXGREEN has strict quality control procedure to ensure products are safe and competitive. Materials are carefully checked and selected. Our team will carefully track each product on the assembly line and perform aging testing for over 24.5 hours.

Battery cell configuration We use Pirsmatic LiFePO4 battery cell to make series and paralles to a completed battery pack. For 12.8V 200Ah, we use 3.2V 100Ah battery cell, 4S2P (4 series 2 parallels); Website: E-mail: sales11@genixgreen WA/Wechat: 0086 180 9814 3134.

GENIXGREEN BATTERY MONTENEGRO

HV-Box2-384HV-Box2-384 Imported core electronic components with a lifespan of 10+ years. Up to 10 batteries can be connected parallel. JLs16100B More than 4000+ times cycle life. 10-15 years design life. High quality grade A cells. High BMS quality to enable a safe and reliable operations.

This is the best choice for energy storage systems with high and modern quality. Reduce your energy bills with the solar power and be part of the renewable energy generation itable for EV integration:home owners who want to build their own solar station point in order to charge their electric vehicles. This is the best choice for energy storage systems with high and modern quality.

GENIXGREEN is a High Voltage Lifepo4 Battery manufacturer, Customized High Voltage Lithium battery solutions are available based on different applications and requirements! Home ; Products .
