Top quality laptop accessories batteries and chargers by Greencell are a result of our long experience in the li-ion technology. For those who desire the best solutions and maximum performance, we created our PRO and ULTRA???

The device has been designed for the highest comfort of using. The front of the inverter is equipped with a main socket adapted to plugs used in Europe. It also has a USB port, thanks to which we can charge our smartphone, e-book reader or any other device that can be connected via a USB port.. At the back of the inverter there is a fan ensuring proper cooling of the device.

Top quality laptop accessories batteries and chargers by Greencell are a result of our long experience in the li-ion technology. For those who desire the best solutions and maximum performance, we created our PRO and ULTRA series, which allow the laptop to achieve even longer functioning time.
