Our journey at Greenwatts Power began when we noticed the limited options available for solar power systems. We saw an opportunity to create a company that would provide customized solar solutions tailored to each customer's unique needs. We set out to design and install the best solar systems, using the latest technology and engineering

Place of registration: Lattakia, Syria; Date of registration: 2017 ??? Belgian Financial Sanctions, 2024-03-28. LLC: limited liability company ??? Belgian Financial Sanctions, 2024-03-28. Neptunus LLC is involved in drug operations in the port of Latakia. Neptunus LLC therefore benefits and supports the regime. Neptunus LLC was co-founded by

The key benefits of renewable energies. According to World Wind Energy Association, wind power capacity has reached 600 GW worldwide, with over 50 GW being added in 2018 alone in a leads the pack with 200 GW, being followed by the US with 100 GW. So, it's not a surprise that renewable energy sources have gone mainstream.

We offer independent, site-specific assessments to identify energy efficiency measures and appropriate renewable solutions that meet the requirements of businesses, farms, homes and public sector organisations wishing to reduce energy costs and reliance on fossil fuels.
