How do I contact the Guam Power Authority? For more information and agencies, call the CCU Board Secretary at (671) 648-3002 or visit The Guam Power Authority has been serving Guam for 55 years. Contact us to let us know what updates and information we can provide to help you better understand the work we do; or ways we can better serve you.

Does Guam have a smart grid? Guam Power Authority received a \$16.7 million ARRA Smart Grid Initiative Grant from the Department of Energy to implement a comprehensive deployment of Smart Grid technologies. GPA floated bonds in FY 2010 to come up with the matching \$16.7 million. This project is a transformational project to bring Guam's power grid into the 21st century.

How much does it cost to restore power on Guam? The estimated cost for capacity restoration is \$5 to \$7 million, with annual operating costs of \$2-3 million. General Manager John M. Benavente, P.E., stated, "We are pleased to see the CCU's endorsement for our short-term projects, which are crucial in addressing the challenges affecting power generation on Guam."

What assistance programs are available in Guam? With the conclusion of the Energy Credit Program, GPA emphasizes that customers facing financial challenges can explore assistance programs such as the Department of Administration's Emergency Rental Assistance (ERA) Program and Guam's Homeowner Assistance Fund (HAF) Program.

What does Camacho do in Guam? As is in power. SPEAKERS BIOS At GPA, Mr. Camacho initiated the LED streetlight project on Guam writing a grant under the DEED program (preceding the ARRA grant), Faulted Circuit Indicators to reduce troubleshooting times, switched capacitor banks, and actively conducts power system analyses for the
