

HENG ENERGY TECHNOLOGY ENERGY STORAGE

What is Hentong energy storage? Hentong Energy storage has two self-developed products: DC charger and AC charger. The products have the advantages of cloud monitoring, cloud operation, cloud management, intelligent operation, intelligent maintenance, dedicated system for large customers, channel diversion, and friendly UI interface.

Who is Hengyuan intelligent technology (Shandong)? Innovative and Sustainable Energy Solutions. Hengyuan intelligent technology (Shandong)Ltd. is an intelligent manufacturing enterpriselocated in Jinan High-tech Zone with industrial automation equipment development and intelligent manufacturing as its technical core.

Why is Hengtong accelerating its efforts to build a world-class Enterprise? In the context of economic globalizationand the implementation of the Belt and Road Initiative,Hengtong is accelerating its efforts to build a globalized,high-tech,and international world-class enterprise with an open,inclusive,cooperative,and win-win development philosophy.

We focus on the research and development and production of diversified electronic products such as temperature and humidity sensors, new intelligent sensor modules, control boards (PCBA), a?|

Integrating energy storage technology with PV panels to improve the effective operating time and efficiency of distributed power sources. Various cell capacity corresponding with diffierent inverter to suitable diverse usage a?|
