

HOW ABOUT SHUNFENG BROTHER S PHOTOVOLTAIC PANELS

Who is Jiangsu Shunfeng photovoltaic? Jiangsu Shunfeng Photovoltaic holds Shunfeng International's solar cell, module and panel manufacturing activities, a business dealing with the construction, operations and sale of solar power plants in Europe and Japan, and its plant management services, mainly performed by its German-based unit Solarstorm AG.

Who is Jiangsu Shunfeng? The Group is mainly engaged in solar power generation in the solar energy industry, forming a new energy enterprise with a whole industrial chain of solar energy. Jiangsu Shunfeng Photovoltaic Technology Co., Ltd. was established in 2005. It is mainly engaged in research and development, production and sales of solar cells.

Who is Luoyang Suntech Power? Luoyang Suntech Power Co., Ltd. was established in November 2005. It is mainly engaged in research, production and sales of crystalline silicon solar cells and their power generation products, technical consultation and supporting services for design, development, construction, operation and maintenance of photovoltaic power plants.

Who owns Jiangsu Shunfeng? Shunfeng International initially announced plans to dispose of Jiangsu Shunfeng in October 2018. It then signed a non-binding memorandum of understanding (MoU) with Asia Pacific Resources Development Investment, owned by tycoon Cheng Kin Ming, to sell the entity for CNY 4.7 billion.
