

HOW IS THE HEMU VILLAGE PHOTOVOLTAIC PANEL FACTORY

Where is Hemu Village? Located close to Kanas, deep in the Altai Mountains of Northern Xinjiang, Hemu Village is the northernmost village in Western China. It is more known as one of the three only existing Tuva villages in China (the other two are Baihaba Village and Kanas Village) and the farthest and biggest one among them.

Where is Hemu Village in Xinjiang? Hemu Village is located inside the Xinjiang Kanas National Geopark (Kanas for short), Burqin County, Altay Prefecture, Xinjiang Uygur Autonomous Region. So, tourists wishing to visit Hemu Village usually get to Kanas and nearby Burqin County first.

What does Hemu Village look like when it snows? Colorful birch trees, rustic wooden houses are shrouded in milky mist, showing a fantastic oil painting. When snow falls, Hemu Village becomes a real snow-white fairyland and a breathtaking ink painting. Snow mushrooms seem like lovely cream marshmallows. Thick snow covers everywhere.

What is the climate like in Hemu Village? Under the influence of its Continental North Temperate Zone Cold Climate, the village has a moderate summer, cool autumn but very long and cold winter and huge temperature difference between day and night. Most travelers visit Hemu Village during May and Mid-October, when the temperature is pleasant and the scenery is stunning.

What to do in Hemu Village? Hemu Bridge is a landmark and a must pass to Hemu Village. It's an old wooden bridge above the Hemu River. Both ends have wooden doors. The solid bridge has been through over 100 years' strike from the Kanas glacier run-off. The bridge is the best place to capture the flowing Hemu River and luxuriant birch forests astride.

HOW IS THE HEMU VILLAGE PHOTOVOLTAIC PANEL FACTORY

When is the best time to visit Hemu Village? Most travelers visit Hemu Village during May and Mid-October, when the temperature is pleasant and the scenery is stunning. Mid-September and late September are the peak seasons because they are the best times for shooting Autumn colors. Spring (March~May) - Off Season: Many local hostels and restaurants are closed.
