HOW TO CANCEL THE WECHAT BINDING OF THE POWER GRID

The most simple and direct answers to the main question depend on how "excessive" it is. Since most equipment is designed to operate within +/- 5% of nominal, the "extra energy" usually gets dissipated as heat, in the device itself. In the case of a light bulb (for example), it produces more light and heat.

To complete the transaction, enter your six-digit Alipay or WeChat Wallet payment PIN. For water or gas, input the invoice number (nine digits for water and 10-11 digits for gas) into the relevant field in Alipay or WeChat Wallet. The system will automatically pull up your account balance, then you can pay as normal. Photo: Karl Baron (Flickr)

The best part about living off the grid is that you not only save money on your bills because you aren't using any power or water, but you actually get money back in the form of tax breaks. If you just have your sims living off the grid with no other forms of tax breaks you are going to get 75 simoleons off of your monthly bills making it easier to pay your lot tax each week.
