

INDUSTRIAL ENERGY STORAGE COMPANY

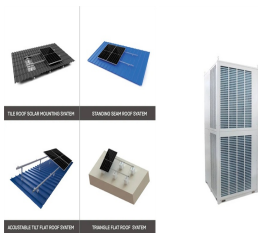

CADRE COMPETITION MEETING

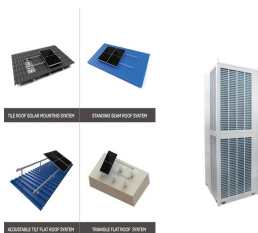

When is the energy storage International Conference & Expo (Esie)? The Energy Storage International Conference and Expo (ESIE) will take place on 3 days from Thursday,10. April to Saturday,12. April 2025in Beijing. 10. - 13. April 2024 07. - 09. April 2023

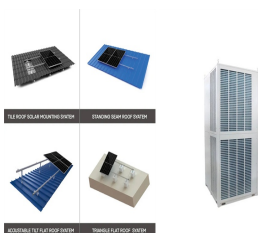

When is energy storage International Conference & Expo 2025? The 13th Energy Storage International Conference and Expo is scheduled for April 10-12,2025,and will be held at Beijing New International Exhibition Center Phase II.

What is China energy storage Alliance (Esie)? The fair is organized by the China Energy Storage Alliance, which plays a key role in promoting and developing the energy storage industry in China.. At the heart of the ESIE is the presentation and promotion of the latest developments in the energy storage industry.

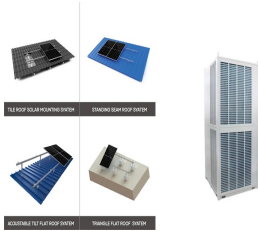

How many exhibition halls are there at the Energy Expo? The expo will have 7 exhibition halls,inviting participation from power companies,power generation groups,grid companies,transmission and distribution operators,grid system operators and integrators,new energy manufacturers and investment institutions.

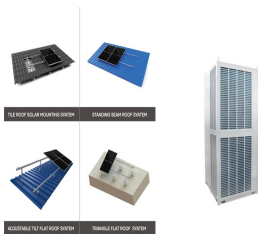

Where is Esie held? In conclusion,it should be highlighted that the Beijing Shougang Exhibition &Convention Center,as the venue for the ESIE,represents a modern and easily accessible exhibition center in Beijing,offering an ideal platform for this significant international event.
