We acknowledge the Traditional Custodians of the lands on which Aggreko operates. We pay our respects to Elders past, present and emerging. Aggreko is committed to honouring Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to society.

I started working at Aggreko as a depot operator after my Mechanical Engineering post-graduate diploma, with a basic scope of work like starting, stopping, and monitoring each generator. With Aggreko's training and support, I've developed massively. I now have experience of both gas and diesel generator maintenance.
