

# IRELAND PM NATIONAL PORTAL FOR ROOFTOP SOLAR

Can solar panels be installed on a house in Ireland? The Minister for Housing, Local Government and Heritage, Darragh O'Brien, has signed into law revised planning exemptions for the installation of solar panels on the rooftops of houses and certain non-domestic buildings. The exemptions are aimed at increasing Ireland's generation of solar energy and combating climate change.

What are Ireland's new solar regulations? The regulations combine to provide the updated provisions regarding planning exemptions for rooftop solar installations. These regulations aim to bring Ireland into line with the EU's Solar Rooftops Initiative by making permitting procedures for installing solar on rooftops shorter and simpler.

What are Ireland's new solar roof rules? The measures will bring Ireland into line with the EU Solar Rooftops Initiative by making solar rooftop installations shorter and simpler. Under the new rules, homeowners will be allowed to use 100% of their rooftop surfaces for PV systems, from just 50%.

What are the new planning exemptions for rooftop solar panels? The Minister for Housing, Local Government and Heritage, Darragh O'Brien, has signed into law revised planning exemptions for the installation of rooftop solar panels on houses and certain non-domestic buildings. The exemptions are aimed at increasing Ireland's generation of solar energy and combating climate change.
