

JACKERY EXPLORER 500 BOLIVIA

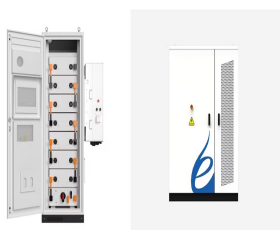

What is a Jackery explorer 500? **DESIGNED FOR PORTABILITY:** Same size as a basketball, this Explorer 500 is easy to carry with its solid handle, making it a compact and reliable choice for scenarios of camping, road-trip, RV, and home backup. **WHAT YOU GET:** 1* Jackery Explorer 500 Portable Power Station (518Wh Power Station), 1*AC adapter, 1* car charger cable, 1* user manual.

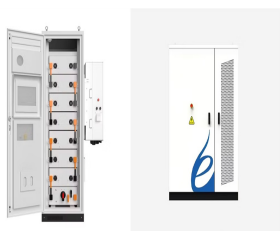

Is Jackery explorer 500 a good power station? Jackery Explorer 500 Portable Power Station does not emit fumes or use fuels, making it an eco-friendly and renewable power solution for camping, RV trips, off-grid living, and home backup. In addition to having a durable, lightweight, and portable design, the power station is backed by an additional 2-year warranty and a 1-year extended warranty.

How much does a Jackery explorer 500 weigh? It is extremely easy to carry, with a weight of just 13.32 lbs. Jackery Explorer 500 Portable Power Station features 1 *AC outlet, 2 *DC ports, 1 *car port, and 3 *USB-A ports to charge low to high-power appliances, including air pumps, CPAP machines, TV, mini-refrigerators and more.

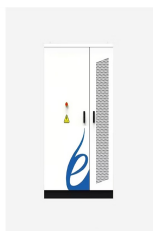

Can I use two solar panels on a Jackery explorer 500? Be aware that the max input power of the Explorer 500 is only 100W and so you cannot combine two solar panels for faster charging (which you can on the Explorer 1000). As mentioned, the Jackery Explorer 500 is a mid-ranged and mid-priced power station.

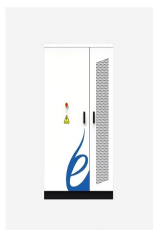

What is a Jackery 500? Well it's actually a fairly simple proposition, but executed extremely well. The Jackery 500 is a lithium power pack, similar to the small power packs which you can use to charge up your phone when you're out and about and nowhere near a mains plug. The difference is in the size and range of outputs on offer with the Jackery offerings.

JACKERY EXPLORER 500 BOLIVIA

How much does a Jackery 500 weigh? The Jackery 500 measures a reasonably compact 30.1 x 19.3 x 24.2 cm and weighs 6kg. Not too big or heavy. For reference, the higher power Explorer 1000 weighs a more hefty 10kg. We really like the size of the 500 for a typical camping weekend. Jackery have designed a very rugged outer casing for the Explorer range.
