

JUNE POLAND ENERGY STORAGE EXHIBITION

What is future energy week Poland? Future Energy Week Poland is a key industry event presenting renewable energy sources, hydrogen technologies, energy storage solutions, and sustainable construction. The event will feature smart grids, low-emission transport, biogas solutions, and energy efficiency. Discover the future of sustainable energy solutions.

Why is battery Forum Poland so important? WHY IS IT WORTH IT? BATTERY FORUM Poland is an industry specialized event held at Ptak Warsaw Expo, the Largest Trade Fair and Congress Center in Central Europe. Aimed at bringing together all branches of the energy and power industry and creating convenient conditions for professional business contacts.

What is solar PV & energy storage Expo 2025? ASEAN (Bangkok) Solar PV & Energy Storage Expo 2025 is a premier event dedicated to the advancement of solar photovoltaic (PV) technology and energy storage solutions in Southeast Asia.

What is battery Forum Poland? BATTERY FORUM Poland is an event where industry leaders will present the latest technologies and innovative solutions in the energy storage industry. The industry congress, an integral part of the fair, allows participants to update their knowledge, gain new skills, and learn about the latest trends in the industry.

What is a trade fair for batteries & energy storage technologies & power supply? Aimed at bringing together all branches of the energy and power industry and creating convenient conditions for professional business contacts. Trade Fair for Batteries and Energy Storage Technologies and Power Supply will allow you to find potential business partners for your company.

JUNE POLAND ENERGY STORAGE EXHIBITION

Where is Ptak Warsaw Expo? Ptak Warsaw Expo is located directly at the S8 route in the direction of Katowice, Paszów exit. It will take about 10 minutes to get here from the Warsaw Okęcie airport. From downtown Warsaw ??? 15 minutes. Parking is not a problem, our center has 15,000 parking spaces!
