Absolutely. Listen, if vacation companies can build massive resorts and still manage to turn a profit investing in infrastructure to make a kick ass tropical destination that A) ALL Canadians would be able to visit without a passport (some Canucks have records preventing them from travelling) and B) advertising would bring in other travelers looking for a safe tropical vacation.

There is ample evidence that logging took place throughout the Turks and Caicos Islands, probably to meet both local and foreign demand for lumber. Exported lumber would likely have been primarily hardwoods, such as lignum vitae, mahogany, and Jesuit bark. There does, however, seem to have been interest in the very lightweight gumbo limbo, for
