

MANTIS ENERGY LTD YEMEN

Who is Mantis energy? ???We are Mantis Energy and we believe that new and existing homes can be built better. We design new and existing buildings into energy efficient, low running cost, future homes???

Why should you choose Mantis energy? The homes we live in as well as the new homes currently being built can be more efficient, more sustainable and we can get more value from them. At Mantis Energy we do this by designing, project managing and providing compliance services to existing and new domestic properties to produce sustainable high tech future proofed homes.

Why did James join Mantis energy? James joined Mantis Energy after his graduation from Coventry University, after studying mechanical engineering with a renewables pathway. Alongside his studies James has completed a year in industry and multiple summer placements, helping to solidify his educational background into working knoweldge.

What's going on with Nick at Mantis energy? We???re excited for Nicks future at Mantis Energy and to see where his career progresses to next. Nick is a self professed nerd and has continued expanding his knowledge with Mantis by undertaking a PAS2035 Co-Ordinator qualification and Heat Geek training.

What does Oli do at Mantis energy? She is also excellent at customer service and will be the main point of contact on email and phone. Oli has joined Mantis Energy as Digital Marketing Executive. He comes to us with a background of all things marketing and social media.

MANTIS ENERGY LTD YEMEN

Why did Miranda join Mantis energy? Miranda joined Mantis Energy after completing her MEng in Mechanical Engineering from the University of Bath, where she specialized in sustainable energy solutions. Her final year project focused on optimizing solar panel orientation for high latitudes, making her a valuable asset to our team in renewable energy development.
