

# NEW ENERGY STORAGE HIGH-QUALITY DEVELOPMENT CONFERENCE

When is energy storage International Conference & Expo 2025? The 13th Energy Storage International Conference and Expo is scheduled for April 10-12, 2025, and will be held at Beijing New International Exhibition Center Phase II.

What is China energy storage Conference? Organized by the China Chemical and Physical Power Industry Association and co-hosted by the Energy Storage Application Subcommittee, China Energy Storage Network, and Digital Energy Storage Network, the event is supported by over 800 organizations.

Who sponsors the energy storage Conference 2025? As the first exhibition of the energy storage industry in 2025, this conference is sponsored by BYD and the dinner is sponsored by Sineng Electric.

What is the energy storage global conference 2022? Following the success of last year's hybrid event, despite the complex context of the health crisis, the conference gathered more than 350 participants and over 100 speakers from 37 countries worldwide; this year, the Energy Storage Global Conference 2022 will attract over 500 top-level energy storage professionals and policymakers.

What is the energy storage exhibition & docking platform? It is one of the most influential industry exchange and docking platforms in the global energy storage field, and is known as a high-standard exhibition with high gold content and strong guidance in the energy storage industry. It is a weathervane for the development of China's energy storage industry.

# NEW ENERGY STORAGE HIGH-QUALITY DEVELOPMENT CONFERENCE

Why did we attend the Cesc international energy storage Conference?  
The CESC International Energy Storage Conference provided us with a broad communication platform, where we met many industry elites and gained a lot. The conference was well organized and the presentations were rich in content, which gave us confidence in the future of the energy storage industry.

The next step will be to promote the high-quality development of the new energy storage industry in four areas: top-level design, technological innovation, industrial resilience, and supporting systems. During the ???

The 14th Shanghai International Energy Storage Lithium Battery and Power Battery Conference and Exhibition 2025, scheduled to be held from August 13-15 at Shanghai New International ???

The first World Energy Storage Conference officially opened on November 9. With the theme of "Global Vision, Innovative Energy Storage," this conference aims to create a world-class platform for information exchange ???

The city of Ningde vows to take this honor as an opportunity to continue to pursue the high-quality development of the new energy battery industry, take scientific and technological progress as well as innovation as ???
