

NEWSUN ENERGY GUERNSEY

Who is Guernsey energy? From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. (C) 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group. We've been providing energy solutions to the Channel Islands for almost 200 years.

Will Guernsey gas prices rise 10% from 1 January? Guernsey Energy says the price of wholesale gas has been hit by world events. Island gas prices will rise by 10% from 1 January, Guernsey Energy has announced. The island's sole gas supplier said that for an average household, it would mean an increase of approximately £9.37 per month.

Does Guernsey energy offer support? Guernsey Energy Managing Director, Darryl Goddard, said support is available for customers. "Energy markets are subject to a variety of complex influences which impact our supply chain and keep the cost of services that are crucial to the supply of gas high," said Mr Goddard.

Does Guernsey energy offer free priority care? We offer free Priority Care for customers who need extra support. From tailored payment plans and energy efficiency advice to priority callouts and safety checks, we're here to make things easier for you if we can. (C) 2024 Guernsey Energy, a trading name of Guernsey Gas Ltd, a member of the Islands Energy Group.

How can I follow BBC Guernsey? Follow BBC Guernsey on X, external and Facebook, external. Send your story ideas to channel.islands@bbc.co.uk, external. Guernsey Energy says the increase is due to "geopolitical events across Europe".

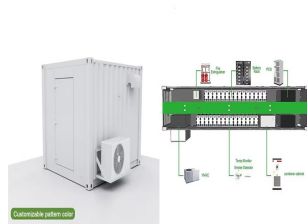

NEWSUN ENERGY GUERNSEY

Throughout this period and up to the 1960's, all local gas was generated from coal at production plants in St. Peter Port Guernsey and St. Helier, Jersey. Since those early days, the original Island Gas companies, namely the Guernsey Gas Light Company Limited and the Jersey Gas Light Company Limited, have developed significantly.

Guernsey Electricity has confirmed the decision to provide energy capacity in the European market will be made on a daily basis and the degree to which it generates locally depends on supply and

The Keystone State (PA) had 16 new permits. PA's top recipient was Chesapeake Energy, with six permits in Bradford County. Coterra Energy was a close second, with five new permits issued in neighboring Susquehanna County. The Buckeye State (OH) received 13 new permits, with Encino Energy (EAP) receiving eight and Ascent Resources five.

The businesses, which are now called Guernsey Energy, Island Energy and Isle of Man Energy, have been taking care of the islands' energy needs for nearly 200 years. The new names reflect the changing direction of the businesses, with a firm focus on providing customers with choice in energy management solutions and supporting the islands' energy transition.
