You can find out more about our boiler replacement scheme Scotland & UK by getting in touch with the Nexus Energy Solutions Ltd. today on 01413 452 180. We would be happy to provide you with impartial advice on how you can tap into this natural and efficient heat source.

In the United Kingdom, Energy Performance Certificates (EPCs) have undergone a transformation from a seldom-consulted document to a key focus in the housing and mortgage sectors. Traditionally used to gauge the energy efficiency of a property on a scale from A (most efficient) to G (least efficient), EPCs are increasingly becoming a decisive factor for mortgage lenders.

Fact 1: Solar energy is a completely free source of energy and it is found in abundance. Though the sun is 90 million miles from the earth, it takes less than 10 minutes for light to travel from that much of distance. Fact 2: Solar energy which comprises of radiant heat and light from the sun can be harnessed with some modern technology like photo-voltaic, solar heating, artificial
