

PANDION ENERGY AS NORFOLK ISLAND

Who is Pandion energy? Today, Pandion Energy is a full-cycle oil and gas company, participating in the discovery, appraisal, development and production of oil and gas resources on the Norwegian continental shelf (NCS). The Norwegian Offshore Directorate announced that this year's Improved Recovery Award goes to the licensees on the Valhall and Hod fields.

Who backed Pandion energy? The company is backed by Kerogen Capital, an independent private equity fund manager specialising in the international energy sector. Pandion Energy has a team of highly experienced oil and gas professionals with strong and proven subsurface, financial and commercial competence, as well as extensive project execution experience on the NCS.

Does Pandion energy have a strong year? Pandion Energy's combined annual report for 2022 is out, and it shows that the company experienced its strongest year of growth to date.

Pandion Energy recognises that climate change is of critical importance to the future of the planet and supports the goal of the Paris Agreement to achieve a carbon neutral global economy. The commitment to carbon neutrality has been achieved initially by offsetting CO2 emissions through programmes that are aligned with the UN Sustainable Development ???
