

# SECOND-LEVEL DISCIPLINE ENERGY STORAGE SCIENCE AND ENGINEERING

It strives to implement the policy of "stable development of traditional energy, accelerated development of green energy" and improve the level of teaching and scientific research. The ???

It has Doctoral degree authorization in the first-level discipline of Physics, post-doctoral research mobile station in physics, doctoral degree authorization in the second-level ???

The school provides one first-level discipline in Master's degree conferment subject of "Food Science and Engineering", one second-level discipline in Master's degree conferment subject and one ???

Now the school has three undergraduate majors/directions, including energy and power engineering, building environment and equipment engineering, and new energy science and engineering, as well as 7 second-level discipline ???

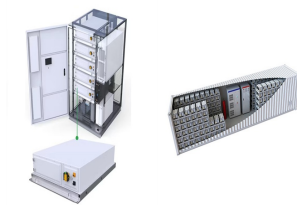

In order to respond to the national carbon peaking & carbon neutrality goal, seize the energy science and technology highland, strengthen the discipline transformation and energy industry

# SECOND-LEVEL DISCIPLINE ENERGY STORAGE SCIENCE AND ENGINEERING

become a training base for advanced renewable energy talents in China. The discipline of "Clean Energy Science" has been rated as a "High-level and Cutting-edge ???

For the Second-level Disciplines included in the above First-level Disciplines, Nankai University has a total of 1 newly accredited Second-level Discipline for Doctor's Degree (updated on ???

School of Chemistry and Chemical Engineering 201911, 1957, ???
