

SEYCHELLES ANP ENERTECH

Who is ANP Enertech? ANP Enertech is a specialty chemical manufacturer providing nano-material solutions to a wide variety of industries including batteries, solar panels, and displays. They are one of the newest additions to the industrial park and as they grow, you will be seeing and hearing more from them. We are very pleased to have them join the chamber.

Can ANP Enertech rely on PAIH? ANP Enertech could count on PAIH's support from the beginning when the company became interested in the implementation of the investment in Poland. This is another Korean investor who has recently chosen our country as the location of advanced processes in the e-mobility industry.

Where will ANP Enertech invest PLN 150 million? ANP Enertech, a Korean manufacturer of components for lithium-ion batteries, will invest nearly PLN 150 million in Skarbimierz (Opole Province). The company's plant will be built in the Wałbrzych Special Economic Zone "INVEST-PARK" (WSEZ). The investment project was supported from the beginning by the Polish Investment and Trade Agency (PAIH).

Who supports WSEZ ANP Enertech? The investment project was supported from the beginning by the Polish Investment and Trade Agency (PAIH). This is the 69th Korean investment supported by PAIH and the second located in Skarbimierz. Source: WSEZ ANP Enertech intends to invest approx. PLN 148 million in the Opole region and create approx. 100 jobs.
