Since Jan 2003, SIR has implemented a new system known as the Student's Pass On-Line Application and Registration (SOLAR) System. The system makes it easier for foreign students to apply for a Student's Pass (STP) by allowing them to do so on-line. 2 SOLAR is a tie-up with ten Institutes of Higher Learning (IHL).

After comparing with bunch of solar companies, I went with universal solar for my needs. The installation team was top-notch, arriving on time and completing the job efficiently. They were very polite and took the time to walk me through the system once it was up and running. I've already seen a drop in my energy costs. Highly recommend!
