Why should you choose Oman solar? At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year.

Where is solar energy available? Life on our planet would be unthinkable without that large power station known as the sun. Solar energy is available almost anywhere. Where there is sunlight there is Electricity. What options do I have to buy the solar system? This section is dedicated for prospective solar electrification system customer.

Who is OSS solar? OSS is one of the oldest company in entire GCC region, over the three decades, we have installed many successful solar power systems at critical, remote, and inaccessible locations and delivered power and energy to homes and business houses across the Oman, UAE, MENA and SEA region.
