

TAIWAN HANWHA POWER SYSTEMS

Who is Hanwha Power Systems? Hanwha Power Systems launched its energy equipment business, building on its reliable technology and longstanding experience in gas turbine engines. Since then, we've become a global powerhouse and have delivered more than 7,500 units of air and gas compressors worldwide.

Why should you choose Hanwha Power Systems? In addition, we will grow as a global leader in power and energy solutions by using future engineering technology that helps the green environment. Hanwha Power Systems is a global powerhouse delivering advanced air and gas compressors worldwide with a goal of accelerating the transition to clean energy.

How to contact Hanwha Power Systems? To contact Hanwha Power Systems in Americas, please call +1.281.599.3377 ext.204 or fax +1.281.599.7734. For contacts in the Asia-Pacific region, please refer to the following information: Hanwha Power Systems(Shanghai) Co., Ltd, 200233 20/F, New Caohejing International Business Center A, No 391, Guiping Road, Shanghai, China. Their contact details are: Tel +86.21.5427.1155 and Fax +86.21.5423.5122.

What rights does Hanwha Power Systems have? Hanwha Power Systems retains all rights to such Services and Materials. Services and Materials are intended only for Hanwha's customers and are provided only for your convenience. Hanwha Power Systems grants you no license or property rights to any such Services and Materials.
