

TUVALU ION SOLAR LLC

Who is ion solar? Energy monitoring ION Solar is a premium,full-service solar provider. ION offers affordable solar solutions that give customers the benefits of solar with little or no up-front costs. Full-service includes a custom-designed system using premium equipment and they handle all of the permitting,applications,installation,and inspection.

What is the Tuvalu solar power project? The Government of Tuvalu worked with the e8 group to develop the Tuvalu Solar Power Project,which is a 40 kW grid-connected solar systemthat is intended to provide about 5% of Funafuti ???s peak demand,and 3% of the Tuvalu Electricity Corporation's annual household consumption.

What was the first large scale solar system in Tuvalu? The first large scale system in Tuvalu was a 40 kW solar panel installationon the roof of Tuvalu Sports Ground. This grid-connected 40 kW solar system was established in 2008 by the E8 and Japan Government through Kansai Electric Company (Japan) and contributes 1% of electricity production on Funafuti.

Is ion solar a good company? I can't say enough good about my experience with ION Solar! From the salesman to the installation team,this is the best companyif you are looking to go solar. They kept me in the loop every step of the way and have followed through. If you plan to go solar,go with ION solar as they are the very best. You can't beat their warranty either.

Where does Tuvalu electricity come from? Tuvalu's power has come from electricity generation facilities that use imported dieselbrought in by ships. The Tuvalu Electricity Corporation (TEC) on the main island of Funafuti operates the large power station (2000 kW).

TUVALU ION SOLAR LLC

Are ion solar panels a reputable company? If you are considering solar panels find a reputable company that stands behind their equipment without charging you ridiculous service fees to diagnose the issue with their equipment. The ION Solar company was very thorough and swift with their work.
