

VANUATU NOMAD POWER

Now offering a USB-C only version, same great pak, with one less input port. Nomad Pak MKII Is the replacement for the original Nomad 18650 Lithium Battery Pack. This battery pack uses a custom charge controller chip to enable USB charging while retaining a Nomad style charging jack. Please note only one charging source can be used at a time.

Vanuatu created a National Task Force to address EU concerns, but its reforms fell short of the latter's expectations. "The program's flaws in due diligence, lack of physical presence requirements, and insufficient information exchange create vulnerabilities that can be exploited by individuals with malicious intent," reads the Parliament's report.
