

# WATT ENERGY STORAGE FRANCHISE AGENT

Who is Zhuhai watt power equipment? Zhuhai Watt Power Equipment Co.,LTD.,founded in 1998,is a national high-tech enterprisewith full-scene energy storage &microgrid,industrial power products as its main business,and research and development,production,sales and engineering services as one.

Why should you choose Watt? WATT provides reliable powerwhen and where its needed offering utilities,remote power solution providers,and recreational OEMs clean power on-demand. WATT offers distributed energy fuel cell technology fit for residential,remote power and recreational power applications.

How does Watt work? WATT powers the ultimate outdoor adventures onboth land and water. Avoiding the limits of existing solar + battery and generator solutions. A fuel cell directly converts fuel into usable electricity and heat through an electrochemical reaction. The emissions are water, heat and carbon dioxide.

What applications can watt power? WATT can power critical remote applications,limited today by power availability or reliability. Fit for rail,telecom,oil &gas,and military applications. WATT powers the ultimate outdoor adventures onboth land and water. Avoiding the limits of existing solar +battery and generator solutions.

One watt is the power at which the work performed in one second is equal to one joule:  $1W = 1J / 1s$ . In electrical circuits, one Watt is defined as the rate in an electric circuit, is the rate of transferring electrical energy per unit of time. ???
