Related to the Ruling by the European Court of Justice, we fully support the statement made back in November 2020 by the European Union's High representative for Foreign Affairs and Security Policy, Mr. Josep Borrell, emphasizing its hope for a "fast-return" to UN-supervised talks, which had been suspended since March 2019, and the need

European Parliament. Western Sahara. 18.2.2021. Answer in writing. The situation in Africa has changed significantly in recent months. The USA and Israel have recognised Western Sahara as part of Morocco. Morocco's claims to Western Sahara are also supported by some EU Member States, including Hungary, Bulgaria, Romania and Poland. How

The battery, which will be monitored by Anesco's specialist O&M service, AnescoMeter, is now Eelpower's seventh project. Solar Finance & Investment Europe 2025. 4 February 2025. London, UK. Energy Storage Summit 2025. 17 February 2025. London, UK. PV CellTech Europe 2025. 11 March 2025. Frankfurt, Germany. Large Scale Solar USA 2025.

The United Nations classifies Western Sahara as a "non-self-governing territory." The European Court of Justice ruled that the 2019 EU-Morocco farm and fisheries agreements cannot enter into force without the consent of the people of Western Sahara. However, in this instance, such consent has not been given.

A NESF solar power plant, pictured in 2019. Image: NextEnergy Solar Fund. London Stock Exchange-listed NextEnergy Solar Fund (NESF) has reiterated its commitment to expanding energy storage and solar capacity with the launch of a joint venture partnership with developer Eelpower worth ?200 million (US\$233 million).

Mercedes-Benz orders 11MWh organic flow battery in Germany . Vanadium is the most common main ingredient for flow battery electrolyte, but it is far from the only one, with a range of other materials used by providers. One of those providers is European company CMBlu Energy, which has just won a deal for an 11MWh system from carmaker Mercedes-Benz.

Western Sahara [a] is a disputed territory in North-western Africa has a surface area of 272,000 square kilometres (105,000 sq mi). [3] Approximately 30% of the territory (82,500 km² (31,900 sq mi)) is controlled by the Sahrawi Arab Democratic Republic (SADR); the remaining 70% is occupied [4] [5] and administered by neighboring Morocco. [6] It is the most sparsely ???

On 4 October, the Court of Justice of the European Union (CJEU) handed
 another historic win to the Sahrawi national liberation movement, known
 as Polisario Front, in its struggle to end Morocco's occupation of Western
 Sahara. The court blocked efforts by the European Commission to include
 the territory in the European Union's trade liberalisation and ???

The European Court of Justice (ECJ) has repeatedly ruled that Western
 Sahara, a non-self-governing territory, must be treated separately from
 Morocco in trade agreements and resource exploitation. This legal stance
 highlights a critical issue: the ongoing activities of European companies
 extracting resources in Western Sahara without the consent ???
