

WHAT IS THE JOB OF ENERGY STORAGE PROJECT MANAGER

Would you accept a lower salary (\$650/month) if: - The new company offers better career opportunities - The role is a better fit to your skills (analyst vs project manager) - \$650 is a lot for me, but it is still only 7% less, so both salaries are good enough for a good life in the city I am - The new team seems to be a better fit to your personality Salary is not the only factor when ???
